Why become a sponsor?

We want to start something. Something big and something fun where we can enjoy a great run and get some really cool bling while doing it!

Not just your average race where you get a shirt and a medal but a race where you get AMAZING stuff. Rather than loading up on price to make huge profits, we are more about building a community of runners that enjoy a challenge and want to walk away with some really cool stuff.

- Exposure for your company at minimal cost
 - Get known as a supporter of health, fitness and wellness
 - Build a community sense of togetherness along with other local organizations
 - Participate in the inaugural running event run by the valley's best race director
 - Create pride in your organization by being known as a race sponsor
 - Raise awareness as a Tempe area sponsor
-

Our mission: To inspire women's inner strength and celebrate their achievements.
