# Why become a sponsor?

We have started something. Something big and something fun where women runners can enjoy a great run and get some really cool bling while doing it! This is a chance to reach 300+ women from nearly every demographic.

Not just your average race where you get a shirt and a medal but a race where you get AMAZING bling too! We're more about building a community of runners that enjoy a challenge and want to walk away happy, refreshed and with new friends!

- Participate in the inaugural running event run by the valley's best race director
